

Technique 2 Stenciling Furniture

Materials used:

Jan Dressler Stencil #111 Cottage Garden Bouquet
Jan Dressler Stencil #105 Queen Anne's Bow
Jan Dressler Stencil #709 Lattice
Jan Dressler Stencil #107 Claire's Twining Vine

Work with furniture that has a good finish unless you like the distressed look. For unfinished furniture, apply a sealer, then Paint or stain if desired and stencil on top. To protect the treatment, apply a water-based finish.

If you are working on a pre-finished piece, remove any old wax with mineral spirits. Then use acrylics to stencil, finishing up with a clear water-based top-coat.
